I Corinthians 11:2-16

1. The Trinity, an example for healthy relationships

- What does it mean to be the “head?”
- The issue of respect and submission to authority
- Everyone is under authority.

2. Practical considerations

- Strive to be like Jesus.
- Men & women need to respect Godly authority.
- Men need to be responsible.
- Women, embrace your role as a woman.
- Targeting the men
- A man should look like a man; a woman should look like a woman.

- How did it go for angels that didn’t respect authority?

3. Men & women need each other.

- We are to be interdependent.
- “One flesh”
- Men should be masculine; women should be feminine (principles & methods).

4. The main cause of gender confusion

- Abuse
- Don’t defend your alternative lifestyle; deal with your abuse.
- Good men nourish, encourage and protect.
